

science is cool

"We will restore science to its rightful place and wield technology's wonders..."

President Barack Obama,
Inaugural Address, 1.20.09

The non-profit Synopsys Outreach Foundation is once again pleased to celebrate the ingenuity of the scientists of tomorrow and invites you to join us at these upcoming events:

February 28, 2009:

sciencepalooza!, the annual science fair for students in the East Side Union H.S. District.
www.outreach-foundation.org

March 18, 2009:

The Synopsys Championship, the annual county science fair for students in grades 6-12.
